February 5, 2010

A multiple vehicle traffic collision sends three individuals to area hospitals.

On February 5, 2010 at approximately 1045 hours a three vehicle traffic collision occurred on Buck Island Road and the entrance to the Public shopping center. Initial investigation into this incident has revealed that a black 1996 Chevy pick up truck occupied by one individual was traveling north on Buck Island Road approaching the Publix entrance. A red 2001 Isuzu SUV was traveling south on Buck Island Road occupied by two individuals. The black Chevy began attempting a left turn in front of the red Isuzu. The vehicles struck head on and then rolled into a silver Acura SUV vehicle waiting to exit the shopping center.

Three individuals were transported to area hospitals; one from the black Chevy and two from the red Isuzu. None of the injuries was life threatening.
