WEATHER SYSTEM CAUSED MINOR DAMAGE

On April 8, 2010 at approximately 11:35 pm a possible tornado was reported in the area of Pineridge subdivision on Grove Way. Witnesses reported seeing lawn chairs, tree branches, and smaller debris flying through the air. Officers responded and found a number of fences had been damaged and trees blown over. No one was injured and there were no signs of structural damage to any homes. The incident also caused a power outage which lasted about two hours.
